

# Inspiring environmental learning

*The touch of nature*

**CONNECTING TO NATURE & DISCOVER ITS INSPIRATION.**

*By Cursus Iceland.*

7 day seminar on Inspiring Environmental Learning in Reykjavik Iceland.

The aim of the seminar is to give teachers, trainers and facilitators ideas and ways of harvesting “the touch of nature”, the inspiration and stimulation. We explore ways to connect the person and the surroundings via learning, activities and tasks, building capacity to care for environment.

The seminar program provides a solid overview of environmental learning and variety of methods to bring the lessons out under the open sky.

Seminar topics are lead by recognized experts, academics, researchers and practitioner.

## Inspiring environmental learning:

Art in nature

Outdoor & Environmental education
